

"Fast and Fun for two" this boat is truly an all round performer whether you are out for a day exploring, snorkeling, fishing or just having fun with the family. The extra length to carry two people plus child space in a center position gives this kayak a comfortable seaworthy nature and paddling performance all in one package. After a long day exploring the bay the Gemini is easy to move from water to the land with the new wheel in the keel feature. Enjoy many other new features on this second generation time tested design.
