

All-Round Kayak

NOMAD

Just imagine a kayak to go anywhere. In the surf, on slow moving streams and rivers or just going fishing to those hard to get at locations larger craft would find impossible to navigate. If you want a kayak that can do this and more then look no further than the Nomad. The Nomad is an all-round state of the art single person kayak. New design features include comfort seating in the form of a fully intergated contour moulded foam backrest and seat, large ergonomic cockpit. This is truly an adventure waiting to happen.
