

# Compact Touring Kayak X-PRESS

The X-Press's hull design gives this kayak stability and good tracking in chop, lending confidence and security. At only 46 lbs, the X-Press is easily car-topped and carried to the shore. There is a generous cockpit, easy entry and exit that allow room for camera gear and fishing tackle. The bow deck pillar doubles as a fishing rod and beverage holder. Other features include a comfortable moulded foam seat, with an adjustable backrest, and perimeter lines for safety and convenience. The foot pedals can be used for rudder control or fixed for bracing.

## FEATURES

- › Perimeter safety lines
- › Rear bulkhead with hatch \*For Deluxe Version
- › Foredeck pillar for added strength
- › Doubles as fishing rod holder \*Extra Accessories
- › Rudder with proprietary foot pedal steering system \*For Deluxe Version

## DIMENSION

LENGTH: 11' 4" (3.5 m) | WEIGHT: 51.5 lbs (23 kg)  
 WIDTH: 29.7" (75.6 cm) | CAPACITY: 353 lbs (160 kg)

Kayaks weights may vary depending on the accessories added to each individual models and country specifications.

## RUDDER

The Feelfree rudder system is designed to give you absolute control without being so deep in the water, that you risk damage when the going gets shallow or you get close to submerged rocks. Its robust design will give years of trouble free use and a great accessory for effortless paddling.

\* For Deluxe Version
